MORE ABOUT AISLING DISCOVERIES

Our Vision

An inclusive community where all children reach their full potential

Our Mission

We serve children living with developmental and mental health needs by enhancing emotional capacity and social well-being in partnership with families and communities.

Highlights of our work

- We work in partnership with local organizations including children's aid societies, schools, family shelters for the homeless and local hospitals.
- We provide high quality mental health and autism services to over 4,000 children and their families each year.
- We also provide workshops, consultation and support to over 6,000 children, parents and professionals each year through our early intervention programs.
